- Safety class: Cat. II
- EN Norm: EN 388, EN 420
- Sizes: 8 – 12
- Colour: white/ blue

1 Packing unit = 1 carton / 120 pairs

PRODUCT FEATURES

all-purpose working glove

good grip properties

Sicherheit geprüft
Fertigung überwacht
Schadstoff geprüft

OPERATIONAL AREAS

wood-, building- and roadindustry

metal processing industry

waste management

transport technology, logistics, warehousing

forest/garden/agricultural industry

ADVANTAGES AND PLUS POINTS

- High wearing comfort
- very high durability
- slip resistance
- good grip properties
- ergonomic fit
- very high tear resistance
- very high puncture resistance
- breathable leather

EN 420: General requirements

EN 388:2003: Protection against mechanical risks

3144

3 - abrasion resistance
1 - cut resistance
4 - tearing resistance
4 - puncture resistance
